Hey Kendra,

SharePoint is weird. When you click the link, simply input your email address as your logon. There is no password required. Give me a call if you have any more issues.

Joan

I can't get in to Sharepoint on my computer. I put in my username and password (the same as my logon info) and it just keeps popping up asking for it again and again.

Am I doing something wrong?

Kendra

Good afternoon,

Overtime documents for pay period 18 have been placed in a secure folder on SharePoint. Please check the information regarding pay grades and program codes. Click the following link to access the Gold King Mine Spill SharePoint page to review your documents in the OVERTIME_PP18 folder:

If you are unable to access the SharePoint site, please send me your pay grade and program code. Thank you.

****NOTE:** If you are having difficulty accessing SharePoint via cell phone, please try again on your government computer.

Respectfully,
